What is CMF Select ?

CMF Select

Capital Markets Forum (CMF) Select is a series of curated editions delivered under the CMF platform, designed to convene targeted stakeholders around specific markets, sectors, and strategic opportunities. Powered by Saudi Tadawul Group, it extends the platform into focused formats that support broader engagement objectives across capital markets, investment, innovation, and market developments.

CMF Select London 2026

Capital Markets Forum (CMF) Select London, powered by Saudi Tadawul Group and co-organised with the London Stock Exchange, is part of the broader CMF Select series focused on key capital market developments. Bringing together global market leaders, institutional investors, and capital markets participants, the forum will explore the evolving landscape of public markets and cross-border investment, with a focus on the future of the IPO model and its continued evolution.

About Saudi Tadawul Group & Shanghai Stock Exchange

Saudi Tadawul Group

The Saudi Tadawul Group (STG) serves as the parent company for a suite of specialized subsidiaries, including the Saudi Exchange, a dedicated stock exchange business; the Securities Clearing Center Company (Muqassa); the Securities Depository Center Company (Edaa); and Wamid, the innovation arm of the Group. Founded in March 2021, following the transformation of the Saudi Stock Exchange (Tadawul) into a holding group structure, the Saudi Tadawul Group has successfully integrated its subsidiaries to enhance the appeal and competitiveness of the Saudi capital market. Guided by its vision to become a world-leading holding group, the organization is committed to fostering a diverse Saudi capital market and serving as a vital bridge between global investors and regional economies.

**LONDON
STOCK
EXCHANGE**

London Stock Exchange

The London Stock Exchange is a global stock exchange based in Paternoster Square in the City of London, England. Founded in 1801, it is one of the world's oldest continuously operating stock exchanges.

CMF in Numbers

The Capital Markets Forum is a series of events dedicated to shaping the future of capital markets and fostering by bringing together investors, issuers, financial institutions, market infrastructure experts, and much more. Each edition fosters high-impact dialogue, strategic partnerships, and shared insight into the trends and forces driving global capital market evolution.

Conference Agenda

Theme	Description
The Future of Going Public: Evolving the IPO Model	- How exchanges, issuers, and investors are redefining the path to public markets. - Innovations in IPO structures: direct listings, SPACs 2.0, and dual-track approaches. - Preparing companies for life as a public entity: governance, transparency, and storytelling.

**5 - 6
November
2026**

- **November 5th** : Corporate Access Meetings
- **November 6th** : Main Conference

Time	Panel	Description
9:00 AM - 9:30 AM	Registration & Networking	
9:30 AM - 9:35 AM	Opening Speech by London Stock Exchange Group	
9:35 AM - 9:40 AM	Opening Speech by Saudi Tadawul Group	
9:40 AM - 9:50 AM	Keynote Speech	
Main Conference Starts		
9:50 AM - 10:20 AM	Fireside Chat 1: Bridging Markets: A Policy Conversation on Capital, Investment & Global Growth	This discussion will explore the evolving economic relationship between the Kingdom of Saudi Arabia and the United Kingdom, focusing on investment opportunities, policy reforms, and the role of government in supporting competitive and globally connected capital markets. Speakers will also discuss how policymakers are navigating macroeconomic uncertainty while creating conditions that encourage investment and long-term growth.
10:20 AM - 10:50 AM	Fireside Chat 2: Regulation as a Gateway: Enabling IPOs, Protecting Investors, and Building Market Trust	This discussion will examine how regulators are balancing market development with investor protection, while creating frameworks that support innovation, attract investment, and strengthen confidence in public markets. The session will also explore how regulatory reforms can enhance market accessibility and support the continued evolution of capital markets.
10:50 AM - 11:20 AM	Fireside Chat 3: Capital Formation at Scale: Creating the Next Generation of Public Market Champions	This fireside chat will explore how long-term capital is shaping the growth of future market leaders across strategic sectors. The discussion will examine the role of sovereign investors in supporting economic transformation, developing scalable businesses, and creating pathways to public markets, while also considering how global investors are evaluating growth opportunities in an increasingly competitive investment landscape.
11:20 AM - 12:05 AM	Panel 1: The IPO Window: Timing, Pricing, and the Anatomy of a Successful Listing in 2026	Market leaders and advisors discuss the factors driving successful listings in today’s environment, including valuation expectations, investor demand, market timing, and the evolving considerations influencing issuers when selecting a listing venue. The session will provide practical insights into what separates successful IPOs from those that struggle to gain investor support.
12:05 AM -12:35 PM	Coffee Break	
12:35 AM - 1:20 PM	Panel 2: Building the Market: Derivatives, Liquidity, and the Maturation of Saudi Capital Markets"	This session explores the evolution of Saudi Arabia’s derivatives market and the infrastructure supporting its growth. Speakers will discuss the role of liquidity, market makers, clearing frameworks, and risk management tools in creating deeper and more resilient capital markets, while sharing lessons from more mature global markets.
1:20 PM - 2:05 PM	Panel 3: Opening Markets: ETFs, Indices & the Infrastructure Driving Global Capital Flows	A discussion on how indices, ETFs, and market infrastructure influence investment decisions and facilitate market access. The session will explore the role of benchmark inclusion, product innovation, and market reforms in attracting global capital and expanding participation across international markets.
2:05 PM - 2:50 PM	Panel 4: Allocating for Transformation: How Global Investors Are Positioning for the Next Growth Cycle	Global asset managers and investors share their perspectives on capital allocation, emerging market opportunities, and the factors influencing long-term investment decisions in an increasingly complex macroeconomic environment. The discussion will examine how investors are assessing growth opportunities across the GCC and other transformation economies.
2:50PM - 3:35 PM	Panel 5: AI, Digital Infrastructure & the Future of Capital Markets	This session examines how artificial intelligence, digital infrastructure, and emerging technologies are reshaping financial markets, investment processes, and market infrastructure. Speakers will discuss how advances in data, connectivity, and computing capabilities are supporting innovation, improving market efficiency, and influencing the future competitiveness of capital markets.
3:35 PM	End of Conference
